Idea

BUILD AN IT COMMUNITY IN YOUR HOMETOWN.

The mission of Vratsa Software is to build an IT community which through quality education gives people in Vratsa the opportunity to have challenging and well-paid jobs as software developers in their hometown. We achieve this by providing free IT courses and events in the town.

The goal of the training program is to give you basic understanding of digital marketing and to help you start career in this industry in Vratsa!

It is a 4-month course with 3 modules:

Marketing Fundamentals, Content Marketing, Google Adwords.

Every module finished with exam and practical project.
