BILATERAL MEETINGS

Thursday 15:30 - 17:00

DESCRIPTION With offices in Belgrade, Zagreb and Skopje, South Central Ventures (SCV), through Enterprise Innovation Fund (ENIF), is focused on tech companies in the Balkans. The EUR 43 million fund is dedicated primarily to early stage and growth investments. Within the fund's 'seed pocket', EUR 1.5 million is allocated for investments of up to EUR 100k per company. The majority of the fund is allocated for early stage and growth investments of up to EUR 3M per company. These investments are intended to fuel the international business expansion and growth of the most promising tech startups that can show traction and prove their potential to "make it big". The investment focus is on in early stage, high growth companies with excellent management teams.
